The Routledge Handbook of International Planning Education

Edited by **Nancey Green Leigh, Steven P French, Subhrajit Guhathakurta** and **Bruce Stiftel**

The Routledge Handbook of International Planning Education is the first comprehensive handbook with a unique focus on planning education. Comparing approaches to the delivery of planning education by three major planning education accreditation bodies in the United States, Australia, and the United Kingdom, this handbook will help to meet the strong interest and need for understanding how planning education is developed and delivered in different international contexts.
