FREE EXPO TICKET

See what's new in concrete, cement and construction!
Make sure you visit this leading expo

As a valued member, we are honoured to extend **an exclusive invitation** to you to attend Africa's largest cement, concrete and construction gathering - **Totally Concrete Expo and the African Construction Expo** taking place at the **Sandton Convention Centre 27 - 28 May 2014**.

These two co-located events will help you to build relationships, evaluate new technologies, overcome industry challenges and identify new and future commercial partners.

- **Two expo halls:** The Totally Concrete and the African Construction Expos provide THE ONLY platform showcasing the widest selection of concrete and construction technologies available in Africa under one roof.
- **Maximise your time and meet the right people:** A number of hosted networking functions and sessions, as well as the online meeting planner, help you connect with the right people so you can get the most from this event.
- **Concrete Clinic+:** A series of problem solving workshops will be held on the exhibition floor and provide participants with a platform to field their top challenges and hear solutions from the cement and concrete industry experts.
- **Free accredited training workshops:** These free training workshops provide capacity building tools from important industry stakeholders such as the South African Institute of Civil Engineers (SAICE), the Engineering Council of South Africa (ECSA) and Master Builders South Africa (MBSA).
- **Conference programme featuring over 100 speakers.**
- **WIN!** Lucky draw prizes to be won. Pre-registered visitors will automatically be entered into a number of prize draws and give-aways!

Make use of this **FREE expo pass** and visit us at our booth to see the latest technologies and services we have on offer.

- **Visit the expo at no charge.** Quote code: AMSP01 [click here!](#)
- **Attend the conference sessions,** make use of code: AMSP01 to enjoy R1000 off the registration fee
