

# Connectivity

- Provide online map database (geocoding) for member networking.
- Outreach and collaborate with international planning organizations.
- Crowdsource projects at the regional, national and multi-national scale.

# International Planning Organizations

<http://blogs.undp.org/global/database/>

## International Planning Organizations

<http://blogs.uoregon.edu/global/database-format/>

# Expansion

- Increase membership to 1,000 by 2017. Identify future growth objectives and target size.
- Expand existing programmes corresponding to membership interests.
- Expand administrative services to support membership services.

# Programmes

- Create new programmes from membership initiatives and partnerships.
- Provide urban resiliency planning for communities in need.
- Promote regenerative, transformative planning as global leaders.

Knowledge for better Cities
