Brisbane EXCO meeting

YPP and BTP programs

Piotr Lorens, VP YPP

1. Ulyanovsk workshop

- Workshop concluded, project report and exhibition ready (to be displayed during congress)
- All invoices paid, surplus – approx. 2000 Euro
- CD to be produced in the end of the year
- **Exhibition and presentation conducted during Brisbane congress**

2. Abu Dhabi projects

- Only one of three bids accepted, contract signed, under execution
- Big problems with short-notice call for tutors/lecturers (we could do nothing about this)
- Conclusion and assessment – expected in january 2014
- Expected surplus – approx. 15.000 Euro

3. Brisbane workshop

- Group of 20 international YPPs and 10 Australian YPPs working
- Many difficulties – but solved
- Presentation and exhibition conducted during Brisbane workshop
- Publication on the CD – to be produced till the end of the year

4. Lisbon workshop outcomes

- Developed by TU Lisbon in cooperation with Gdansk UT (3rd joint workshop)
- Participation of over 30 students from different continents
- Endorsed by ISOCARP
- **Can serve as the „blueprint” for the future events of this type** – and as the workshops organized within the BTP program
- **CDs to be produced in the ISOCARP series**
- **Exhibition planned for Brisbane Congress**

5. YPPA competition and EUSS

- Concluded along with 4th EUSS in Madrid in september 2013
- 3 laureates selected
- Publication – under development

7. Plans for 2014

- YPP National in Russia and (possibly) China
- Gdynia workshop
- Gdynia congress – opportunity for **global planning education forum**

8. Gdynia congress and workshop

- Congress dates: Sept. 23-26th 2014
- Workshop dates: Sept. 19-21st 2014
- **Education forum: sept. 20-21-22nd 2014**
OR during congress (sept. 25-26th?)
OR after congress (sept. 27-28th?)
- In any case – the special offer has to be „put together”
