Visa requirements

All interested participants should immediately commence inquiries about visa procedures (documents needed) at the Greek Embassy or Consulate in their respective country, as these vary from country to country. Please contact ISoCaRP as soon as possible in order to be completely prepared once the selections procedures are finalised. Note that due to entry rules getting more and more severe, ISoCaRP cannot issue invitations without full pre-paid Congress and hotel registration fees.

The Pre-Congress Day

(22nd September 2002, whole day), optional

Following the preliminary registrations received after the First Announcement, the pre-Congress will now focus on GREATER ATHENS (Attica region) and will last one entire day, thus giving all participants the opportunity to get acquainted with the City of Athens and its surroundings. A detailed programme follows in the Congress Brochure.

Technical Congress Tour

(25th September 2002, afternoon), included

The technical tour, which will be held on one of the actual Congress days, focuses on specific places within the metropolitan area of Athens. A detailed programme follows in the Congress Brochure.

Post-Congress Tour

(27-29 September 2002), optional

During the post-Congress tour the group will visit some areas in the region of Thessalia. Specifically the tour will include touristic visits in the mounts of Pilio and Meteora as well as visits of scientific interest to the lake of Plastira (eco-tourism development area) and in the area of Volos (University of Thessaly / pilot urban regeneration area). The scientists in charge will provide all the appropriate information.
