52nd ISOCARP Congress – Durban, South Africa

Cities we have vs. Cities we need

Durban, South Africa, September 12-16 September 2016

EXTENSION OF CALL FOR ABSTRACT AND FULL PAPERS South African Participants

An extension of the call for the submission of Abstracts as well as Full Papers for South African Participants only to the 52nd ISOCARP Congress.

Abstracts as well as Full Papers can be submitted up to 15th July 2016. A website link will be provided by ISOCARP on their website between the 5th and 15th July 2016 for this purpose.

You will be required to submit an Abstract as well as a Full Paper before the extended closing dated of 15 July 2016.

It will be an outstanding opportunity for planners to learn, present and discuss some of the most recent planning, research and decision making issues.

For full information about the Congress Theme and Subthemes please visit 2016.isocarp.org.

ISOCARP welcomes abstracts by city and regional planners or interested individuals from related disciplines from all over the world.

The LOC will be exploring the possibility of reduced registration for academic Institutions with at least four paper submissions.
