

# UN Habitat III – Regional Meeting Europe

**+ Side Event  
ISOCARP**

**Planners' Profession &  
Future Sustainable  
Urban Habitats**

9:00-10:30, March 18, 2016  
Club H, Congress center, Prague

The International Society of City and Regional Planners (ISOCARP) is a global association of experienced professional planners. It was founded in 1965 in a bid to bring together recognized and highly-qualified planners in an international network.

The ISOCARP network brings together individual and institutional members from more than 80 countries worldwide. Members are planners and other stakeholders involved in the development and maintenance of the built environment.

## JOIN OUR OPEN & PROFESSIONAL DISCUSSION

### OBJECTIVES:

- Raise awareness of the role of planners in upcoming more complex urbanization processes;
- Identify future requirements placed on the planners to approach to the New Urban Agenda;
- Anticipate the skills, knowledge and preparation needed in a fast changing urban environment...
