Keynote speakers:

Saskia Sassen
is the Robert S. Lynd Professor of Sociology at Columbia University and a Member of its Committee on Global Thought, which she chaired till 2015. She studied and wrote about cities, immigration, world economy, inequality, gender and digitization. She is the author of eight books and the (co)editor of other three. Her work is translated in over twenty languages. She has received many awards and honors from which we highlight Príncipe de Asturias Prize in the Social Sciences.

Arun Jain
is an urban designer and strategist with over 30 years of international experience in practice, city leadership and academia. Arun has planned, designed, and directly influenced over 90 projects. He focuses on urban decision support tools, behavior sensitive infrastructure strategies, and development frameworks. Arun has contributed in several UN forums, held academic positions, was first Chief Urban Designer and has served on several international boards (IFHP, ARUS).

Daniel Iacofano
has more than 34 years of experience in urban planning and community design for downtowns, transit-oriented development, neighborhoods and urban centers. He is recognized as an expert and innovator in the areas of community participation, consensus building and facilitation. He is a leader in the national re:Streets effort, exploring the future of streets. He is the author of several books including Meeting of the Minds, The Inclusive City and the upcoming Streets Reconsidered: Inclusive Design for the Public Realm.
Welcome from Jeannine Rustad

OAPA Chapter President

The Oregon Chapter of the American Planning Association is excited to host the joint OAPA/ISOCARP Conference in Portland in October. While Oregon is known as a leader in land use planning in the United States, our planners are always eager to learn from others to see how we can improve on making great places to live. What a better venue to learn than an international conference, sharing ideas from a global perspective. We hope you’ll join us and discover not only the wonders of Oregon, but the warm and welcoming nature of the Portland Metropolitan Region.

Pre-Conference events:

October 20-23
Young Planning Professionals’ Workshop

Regional Investments for Smart Communities: Harnessing Transit + Technology to strengthen the Economy and connect the McLoughlin Corridor

October 23
Special ISOCARP-UNESCO Event

“Towards Sustainable Cities We Need: An Obliged Way To Save Life On Our Lovely Planet” Free to attend however special registration required.

Invitation by Ric Stephens

ISOCARP President

This year’s topic “Smart Communities” represents the convergence of technology and planning. Our Joint Conference will examine and generate approaches to adopting information and communications technology, intelligent transportation, autonomous vehicles, ubiquitous sensing, e-government, renewable energy, the Internet of Things and the myriad of topics connected with ‘smart cities.’

Post-Conference tours:

October 28 - 30
Tour one: THE 3 ‘M’S

October 28 - November 2
Tour two: The Pacific Surf and Oregon Turf

October 28 - November 4
Tour three: The Wild, Wild West in the Pacific Northwest

REGISTER ONLINE!
OAPA / ISOCARP Joint Conference Program
