

A Cities of the Future Conference

EMBRACE THE WATER

GOTHENBURG

SWEDEN

12-14 JUNE 2017

www.embracethewater2017.com

#embracethewater

EARLY
BIRD
ENDS

15th April

A unique opportunity for water professionals and urban planners to learn and collaborate on sustainable solutions for their cities

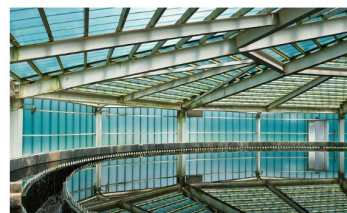

Innovations and new thinking on:

Water sensitive urban design for resilient cities

Managing uncertain futures

Designing regenerative water services

Communication and citizen engagement

Meet leading voices and thought-leaders

Jan Eliasson
Former President of the United Nations General Assembly

Helle Søholt
CEO of Gehl

Tony Wong
CEO of the Cooperative Research Centre for Water Sensitive Cities

Kongjian Yu
Doctor of Design at FASLA and President of Turenscape

William Veerbeek
Unesco-IHE Flood Resilience chair group Water Science & Engineering

Carol Howe
CEO of EvaSolutions

"The planning for development of water infrastructure is too often overlooked. The impact of the theme of the conference, to deepen the interaction between planners and water professionals, can hardly be overestimated." **Henrik Kant**
