CITY FACE!

BUILDING HEIGHTS

Residents in Shamian Area:
I get my living space extendet.

Fishvender:
The business runs well and I opened an other shop in Dongfeng Harbour.

Residents of Yujing No.1:
I'm living with less noise and can cross over the ring street more safe. Now there are many good shops nearby and this is one of the most liveable place in Guangzhou.

Tourist:
I can spend a half day alone the waterfront and enjoy different experiences.

People from Xiguan:
I can reach the waterfront in 10 min, have more possibility to arcross the ring street, practis taichi or meet the friends there.

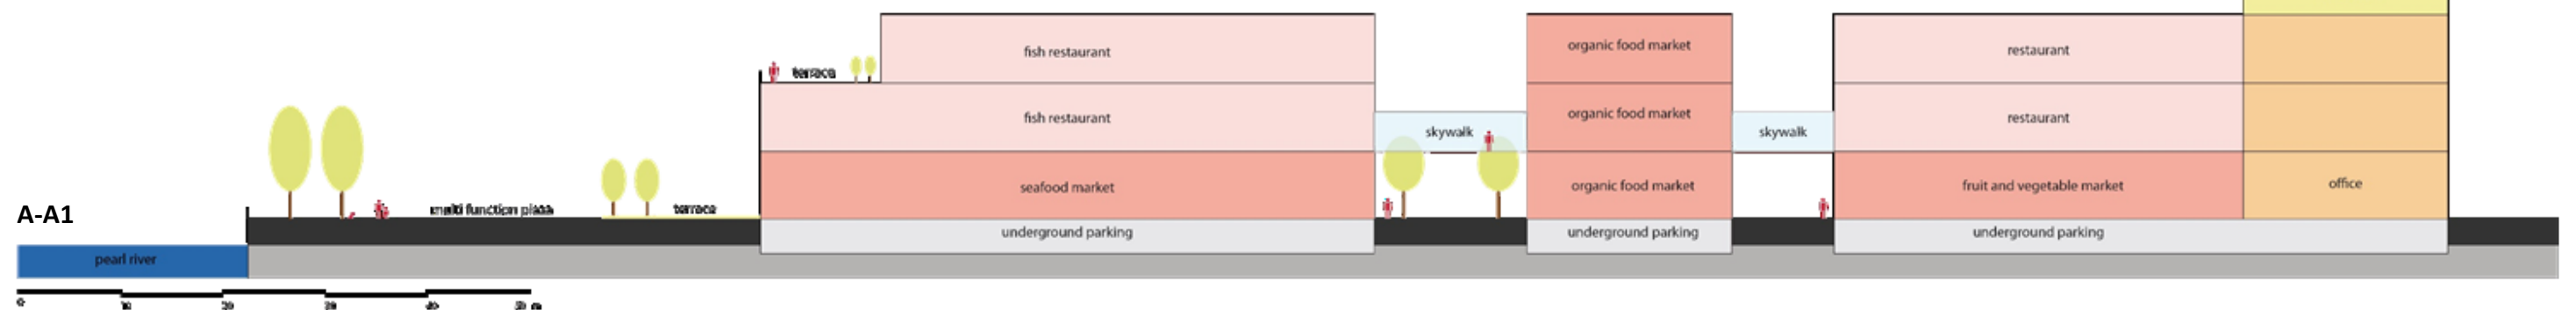

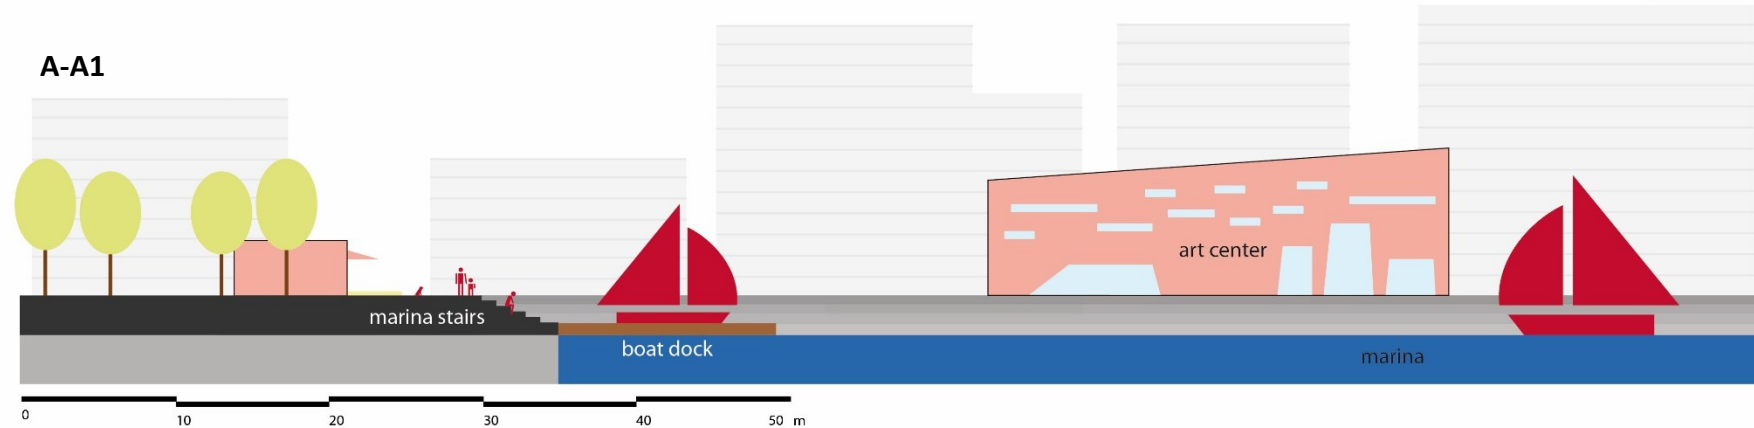

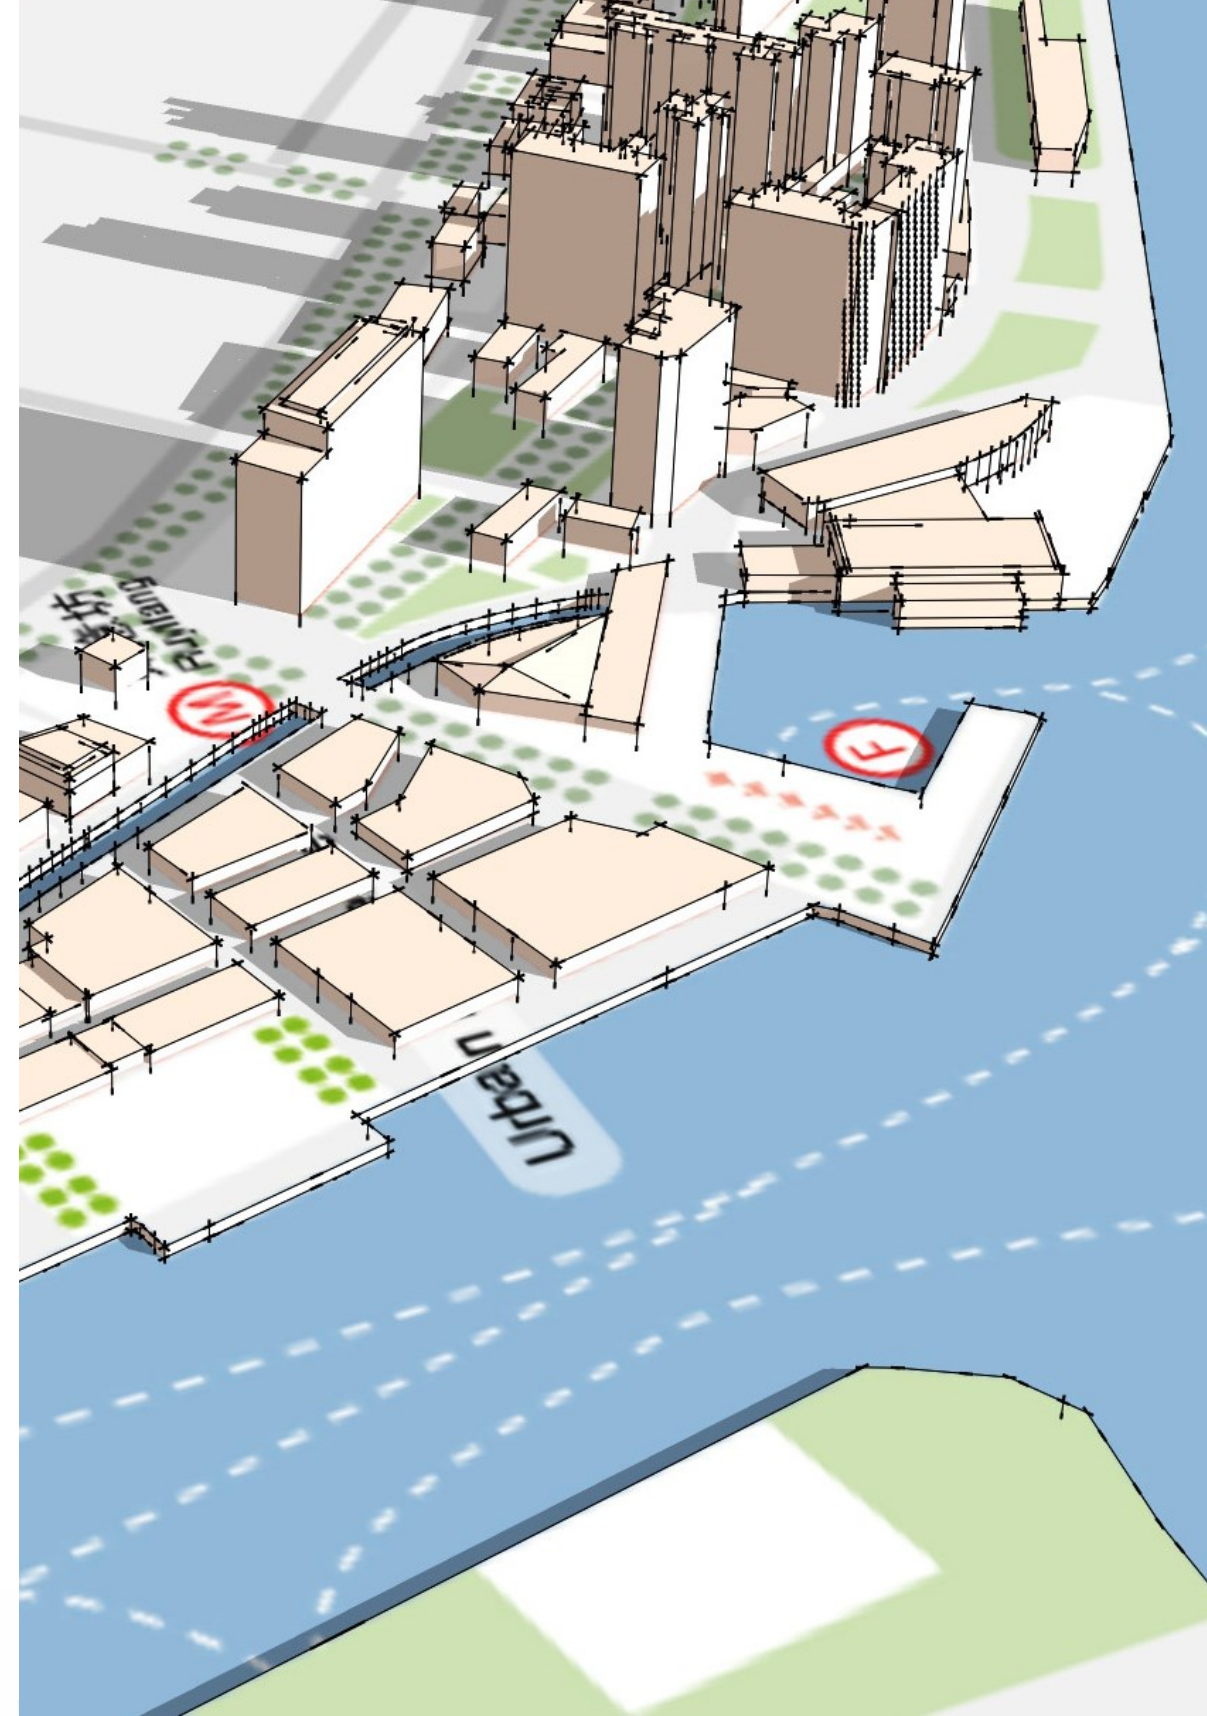

Fishvender:
The business runs well and I opened an other shop in Dongfeng Harbour.
