Connecting or Breaking?...

连接？
打破思维定式.....

Instead of connection — “ Breaking”

Break blocks

outside

Break water front

inside

Break old city canal

Break “meridians” of the old city

Instead of connecting — “ Breaking”

Break blocks

outside

Break water front

inside

Break old city canal

Break “meridians” of the old city

Instead of connecting — “ Breaking”

Break blocks

outside

Break water front

inside

Break old city canal

Break “meridians” of the old city

Instead of connecting — “ Breaking”

Break blocks

outside

Break water front

inside

Break old city canal

Break “meridians” of the old city

For the city

“Breaking”

the develop pattern!

A historical area,
as a new development core connecting the east
To Foshan.

对城市而言，这样的“打破”让广州旧城成为新的整体，
西连佛山，是改变城市发展格局的一种“突破”。

水系——连接的核心

向内：城市活力的连接，串联公共资源，设施内外共享，
向外：景观和城市记忆的连接

Water as a Linkage Core,
Link to the Public
Resources of the inner
city, and to the
landscape & culture
resources outside of the
city

“Breaking” is
the **beginning.**
