Co-presented by

University Partners

Local Government Partners

Networking Partner

Regional Digital Media Partner:
The inaugural Placemaker Awards ASEAN 2020 is the brainchild of Nextdor Property Communications, a placemaking consultancy and Think City, a social purpose organization focused on urban rejuvenation. Nextdor and Think City came up with the idea of creating a platform to showcase the best of placemaking projects and give due recognition to community building in the Southeast Asian region. This is especially important given the rising rate of urbanization within Southeast Asian cities.

3 REASONS TO ENTER

**Raise your profile & gain industry wide recognition**

**Inspire aspiring placemakers and support SDG 11**

**Showcase your best placemaking projects**

---

**AWARD CATEGORIES**

**Public Owned Spaces:**
Public spaces are generally government owned and are open and accessible to people from all walks of life such as parks, waterfronts, public squares, streets, public thoroughfares and buildings.

**Privately Owned Spaces:**
Private Public Spaces are privately owned (non-government owned) venues that are open for public use. Privately owned public spaces commonly include plazas, arcades, small parks, atriums and shopping malls.
