▼ This is not something we're trying or wanting to do	30.77% 8
TOTAL	26

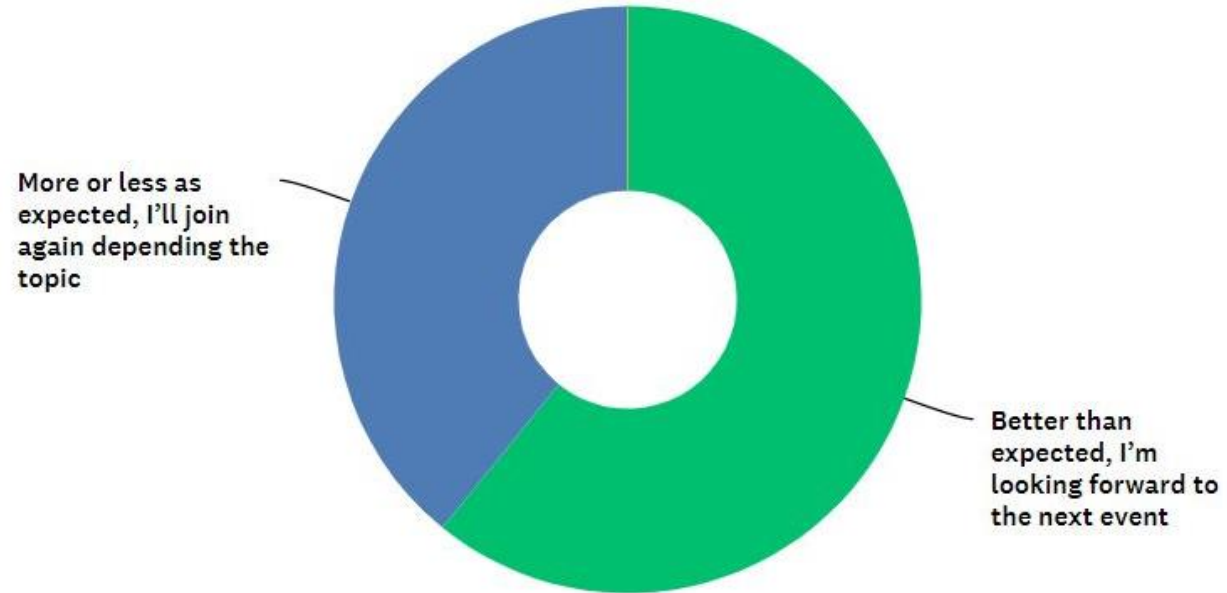

Poll question

4

Yes!

Are you satisfied with this first Cyber Agora event?

Answered: 23 Skipped: 0

ANSWER CHOICES	RESPONSES
▼ Better than expected, I'm looking forward to the next event	60.87% 14
▼ More or less as expected, I'll join again depending the topic	39.13% 9
▼ Far less than expected, it's rather unlikely I'll join again	0.00% 0
TOTAL	23

The invited speakers of the 1st ISOCARP Cyber Agora

Post Covid-19 urbanism Think Piece: **Ali Alraouf**

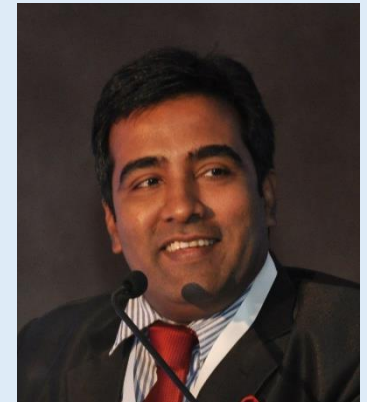

**“Consider the rhythm of the City:
Does the Slow City win?
Coronavirus offers a blank page
for a new beginning”**

The 1.5m/6ft urbanism challenges: **Mahak Agrawal**

**“Physical distancing is a privilege
for some”**

Post-covid urbanism and cities: **Rajendra Kumar**

**“Physical distancing measures are
temporary – humans need
interaction, cities will return to
enhance interaction with well-
planned public spaces”**

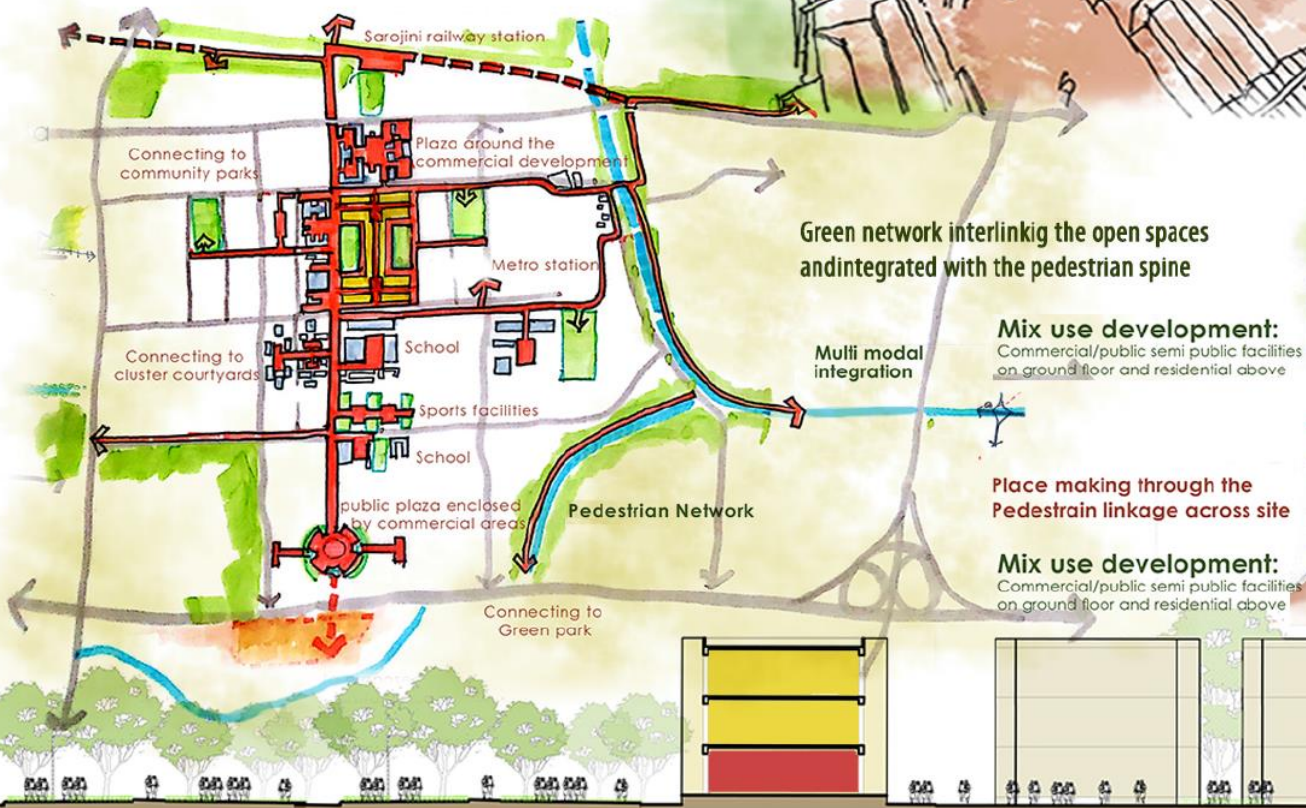

Planning the 1.5m(6ft) city

Concept: Medium rise mix use pedestrian friendly development with central civic spine interlinking the public spaces and social nodes across the neighbourhood.

An urban neighbourhood block in Delhi, India

Submitted by Young Urbanist:
Manasa Garikaparthy, 27yrs | Architect | Urban Designer | LEED GA
manasa.garikaparthy@gmail.com, Delhi India

Site section of a 1.5m high city with mix use pedestrian friendly environment

Congratulations to the winner of ISOCARP

Young Planner Competition
